

November 10, 2025

To my valued patients,

I want to thank you all for allowing the privilege of serving you as your OB/GYN physician for the last 40 years. It has been an honor to walk beside you through the milestones we have faced together. However, I have reached a milestone of my own and I have decided to retire from the practice of medicine and am looking forward to spending time with my family.

My last day at the office will be February 9, 2026. You are welcome to continue your care with any of my colleagues at Live Oak Women's Health. The physicians and staff stand ready to serve you regarding any of your ongoing OB/GYN needs. Your medical records will remain safe and on file with the Care Center.

If you have an upcoming appointment scheduled with me, the staff is aware and will be reaching out to you to discuss options that work for you. Feel free to call the office at (210) 657-4099 during normal business hours to schedule an appointment. If you prefer, you may select a physician from outside our practice. Upon your request, we will forward your medical records to your new physician.

I wish each of you continued health and prosperity now and in the future.

Sincerely,
